Attention: Building Inspector/Code Enforcement Officer

Dear Sir or Madam:

I am writing to let you know that Catskill Mountain Housing has received grants from the New York State Housing Trust Fund, Affordable Housing Company, and State Mobile Home Replacement Program to assist residents in Greene County who own a trailer or mobile home that serves as their primary residence and is in such a severe state that the only option would be to completely replace it with a new one. Applicants must be income eligible and own the land on which the home sits.

I have included a copy of the Program Overview and the Income Eligibility Guidelines. If you know of anyone who might be eligible and could benefit from a program such as this, please refer them to our Main Office located at 448 Main Street, Catskill, NY 12414, or have them give us a call at 51-943-6700.

Our Goal at CMH is to improve people's lives by helping to provide them with safe, secure, and decent housing. This program has replaced more than 60 trailers or mobile homes in Greene County over the last 20 years. We hope to continue to serve the residents of Greene County by administering programs such as this Trailer Replacement Program, and Home Repair Programs such as RESTORE, and AHC Home Repair for many more years.

Thank you for your time, and I hope that you will pass along this information to someone that CMH might be able to assist. I always say, Catskill Mountain Housing is about Housing for People, Not for Profit.

Best Regards,

Molly Ann Whitbeck
